

SUGGEST A NAME FOR PUBLIC PLACE COMMEMORATION.

We are seeking input from the community to collect a bank of notable women's names to be used in naming parks, reserves, streets, localities and other public features such as statues, monuments, etc.

The approval of personal names during the lifetime of the person will only be made in very exceptional circumstances.

All boxes are required to be completed, with the exception of uploading documents, and this will allow for an initial assessment.
